## Kit Contents

### Recommended Tools

### Components for installing the *FLTW-1100*

#### **Kit Contents:**

1x Camera

1x Hex Key

1x 3M Tape Pad

## Camera Mounting & Power

### Part 1

### Universal Camera Mounting

1. Find an appropriate place to mount the camera. Use the provided 3M tape to mount the camera.
2. Loosen the 4 hex screws on the bottom of the camera.
3. Aim the camera to the desired position.
4. Tighten the 4 screws to lock the camera in place.

### Part 2

### Universal Camera Power Connection

1. The camera will be powered via a 4-pin Aviator harness. Connect the camera to the harness to draw the necessary power and video signal.
